

PUBLIC NOTICE

If it's not in the newspaper, how will the public notice?

Zoning changes. Tax increases. Legislative proposals. These are just a few topics where government actions can affect your life and community. Imagine if government no longer had the legal obligation to publish this information in your newspaper. How would public notices get noticed? In our democratic society your newspaper fulfills an essential role in serving your right to know. It should not be your responsibility to know how to look, where to look, when to look or even to know what you're looking for to be informed. It is government's responsibility to publish and deliver public notice information as it becomes available. So take notice. Your right to know is being served... right here in your newspaper.
